Riverside, California 92516

Dear Mr. Zeitler:

On behalf of the California Legislature, I would like to thank you for your performance at the State Capitol in honor of Benjamin Franklin's 300<sup>th</sup> birthday. I'm sure Mr. Franklin would find you a most worthy successor, as a proponent of the Glass Armonica and as a man of many talents.

All those who attended were truly amazed at your skill in playing the instrument and were particularly appreciative of the period pieces you performed. Your comments regarding your travels with the Armonica were also informative and enjoyable.

My best to you, and to your manager Keith. I hope the Capitol might have a chance to host a performance once again at some point down the trail.

Sincerely,

A handwritten signature in cursive script that reads "Greg Schmidt".

Secretary of the Senate
